Summer Activities

...CREATE A BEAUTIFUL ART BOUQUET...

Like a tender flower from the tundra, our roots run deep bringing the beauty of art to the community that will bloom all summer! This is a fantastic time at the Glenwood Springs Center for the Arts. Our summer programs are just a little bit more casual and we have lots of fun activities planned - it's a great place to hang out with your friends and meet some new ones too!

This summer we are offering two camp days so you can bring your kids from 9am to 3pm and they will have a safe environment to create art, pottery, dance, sing, learn to play the piano, and produce a puppet show!

We are also offering classes in blocks so you or your children can take a series of classes at a discounted price.

We promise to stretch the imagination of every person who comes into the Arts Center. Come to the Center for the Arts. It's fun, you'll meet new people and learn something new. You can't beat that!

Children fill the Center for the Arts with life and laughter. We nurture emerging artists and encourage everyone to dance with wild abandon, to play in the mud, learn to throw a pot instead of a tantrum, paint with their hands, tickle the ivories and sing their hearts out.

The younger you begin, the better. Spend some quality time at the Arts Center with your children - creating and enjoying the arts.

We are proud to present high quality arts and dance classes, kid's activities, summer camps and interesting classes and workshops for adults.

Take a class with your child and spend quality time together in a creative and fun environment. The session starts June 6th and goes through August 19th. There are no classes on July 4. Your instructors will schedule a make up class.

We invite you to drop-in on any class you desire. Please call first to make sure the class is going or if there has been a schedule change.

The Gallery and Gift Shop will be open all summer with the Wild Women Exhibit and a Visions of Music Art Exhibit! We're ready for a great season! Come on over and hang out with us. It'll make you feel great!

FEES: We do not want anyone to miss a class because money is an issue. We offer scholarships, family discounts and multi-class discounts. Talk to us about Payment Options. We want to make it easy and painless! We will continue the option to make payments through a credit card. You can still pay in cash or by check. Let us know what is most convenient.

IF YOU REGISTER FOR A CLASS, YOU ARE REGISTERING FOR THE ENTIRE SESSION. WE DO NOT OFFER MONTH-TO-MONTH CLASSES.

The Glenwood Springs Center for the Arts continues to appreciate the corporate partnership we enjoy with US Bank. We share the same philosophies and goals. Their support benefits our organization every day on many levels and we're very honored they have chosen us.
